

McMinnville Amateur Radio Club Preamble

QST QST, Good evening. It is Monday (MONTH, DAY, YEAR). Calling the McMinnville Amateur Radio Club Traffic and Information net. This net meets each Monday at 7:00pm Pacific time on this repeater, 146.64, PL tone 100, for the purpose of informing members and friends of events, meetings, and any items of interest to amateur radio operators in our area.

Your net control for this evening is (YOUR NAME, YOUR CALL) in (YOUR TOWN). Please check in by phonetics as the roll is called using the suffix of your call sign and your name. Any and all stations are encouraged to check in.

We will begin by taking any emergency traffic.

Any Station that needs an early out.

I will begin by taking check ins from radio first and then EchoLink.

We will now take check in's from Alpha through Delta.

Echo through Hotel.

India through Mike.

November through Romero.

Sierra through Zulu.

I would like welcome any stations from EchoLink. Thanks for joining us.

Is there any traffic to be sent or received at this time? Any items of interest or announcements? Any questions for the net?

Thank you for all in participating in the net this evening. Are there any late or missed check ins before we close the net?

This has been the McMinnville Amateur Radio Club weekly net. The net is now closed as of (Current time). The frequency is now clear and free for regular use. Thank you, and 73s This is (YOUR NAME, YOUR CALL).

To All Net Controls, Please make sure you identify yourselves every 10 minutes to comply with FCC Part 97.
